Write a paragraph about how you met some of your friends:

Juliana is one of my best friends. We have met since we were children. The first time that I saw her I couldn't imagine that we ^{was} became friends.

She was popular in the school and I was a nerd. She was so beautiful and most guys liked her. Everybody knew her but on the other hand, she wasn't so smart. ✓

In my opinion, because we were so different and had different qualities we became friends. I admired her beauty and how she was sociable and always was smiling and talking with everyone.

In addition, to that, she was surprised how I was very good student and always got the highest score of our classroom. ✓
